## Meeting Digest 10-2-24

The meeting was never really called to order and regular business was dispensed with non-verbally as only 4 members were in attendance. Our Lions in attendance were: Stephen Martin, Lyle Workman, George Salet, and Sharon Eberhardt.

## The non-meeting Meeting

Since too few were present to conduct business, we just talked about what ever came up including:

- Sharon’s ongoing knee problem; seems to be settling in her right knee.
- How Longshoreman on the east coast are afraid of automation was mentioned, which lead to:
  - automation in other industries.
  - driverless cars.
  - robots and their future uprising a la The Terminator.
  - Robots paying their fair share of taxes.
  - Will money, in any form, be needed in the future?
- Dealing with the heat.
- Bee keeping, hornets, and killer hornets (actually “murder hornets”), and the US’s fight against flesh eating worms (Yuck! Thanks George) in Panama.
- A new interoceanic canal in Mexico. (Someone likes Youtube.)
- Old science fiction movies.
- Eastern Nevada, Ely, NV, and the loneliest highway in America.
- Hurricane damage, and how society could go “south” quickly; canning food and how thing used to be done.

**Game 5:** 1st quarter: Carrie Sambel; 2nd quarter: Lori Stoeppelwerth; 3rd quarter: Jilda Gumina; final Bob Fasset; reverse final: Chris Ramezzano.

**Game 6:** 1st quarter: Diane Annuzzi; 2nd quarter: Bob & Madeline Fasset; 3rd quarter: Willy Neve; final: Josephine Soracco; reverse final: Mark Ramezzano.

We're now six games into the season and there are still 4 spots that are not paid for - 3 of them are members!!! This time we're naming names: Palini & DiSanto, Joe Farrah, Bob Lawhon, and Zenaida Lawhon.
